CHILDREN'S MEDICAL SERVICES

CHILDREN'S MEDICAL SERVICES IS A SYSTEM OF QUALITY HEALTH CARE SERVICES FOR GEORGIA'S CHILDREN AND YOUTH, BIRTH TO 21 YEARS OF AGE, WITH CHRONIC MEDICAL CONDITIONS.

PRIORITIES

Collaborate with providers for seamless care coordination.

Arrange for comprehensive diagnostic tests, therapy, or hospitalization for eligible children.

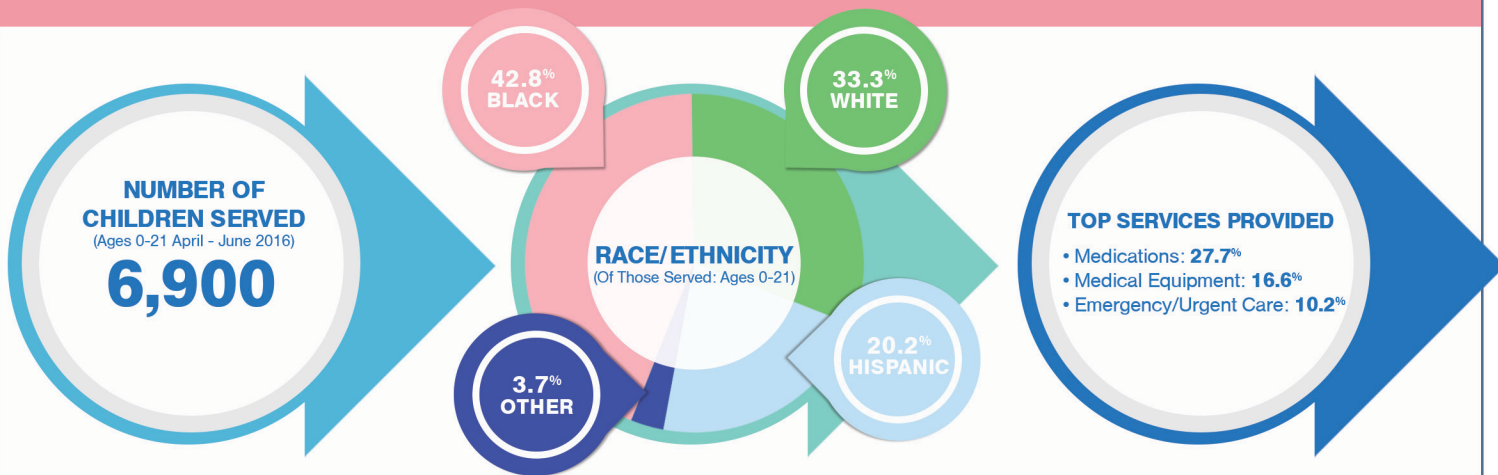

Increase the percentage of children and youth in CMS receiving appropriate care.

Assist with payment for services for eligible medical diagnoses not covered by insurance.

GEORGIA DATA

ALMOST **ONE IN FOUR** FAMILIES (23%) **NATIONALLY** HAS AT LEAST ONE CHILD WITH SPECIAL HEALTH CARE NEEDS
