

Augusta & Columbia County 311 COVID-19 Testing and General Information Line

The State of Georgia has declared a state of emergency in light of the novel coronavirus (COVID-19).

The East Central Health District, Department of Public Health, Augusta 311 and Columbia County 311 have set up a hotline for members of the public and the business community seeking guidance on how they can help in limiting the spread of the pandemic.

For those with symptoms, or general questions about the disease, how to self-quarantine, or questions about symptoms and how to get tested, call **311**. Operators will transfer callers to medical professionals for advice. The hotline hours are from 8 a.m. to 5 p.m., 5 days a week.

For businesses, faith-based organizations, schools and other organizations seeking information on how to clean, manage events, or other issues related to the outbreak, please visit www.cdc.gov/coronavirus
